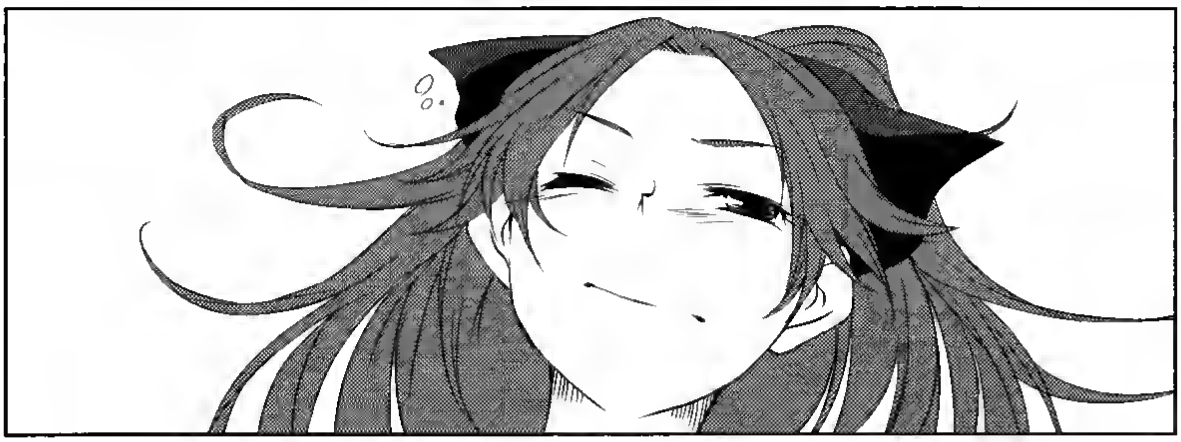
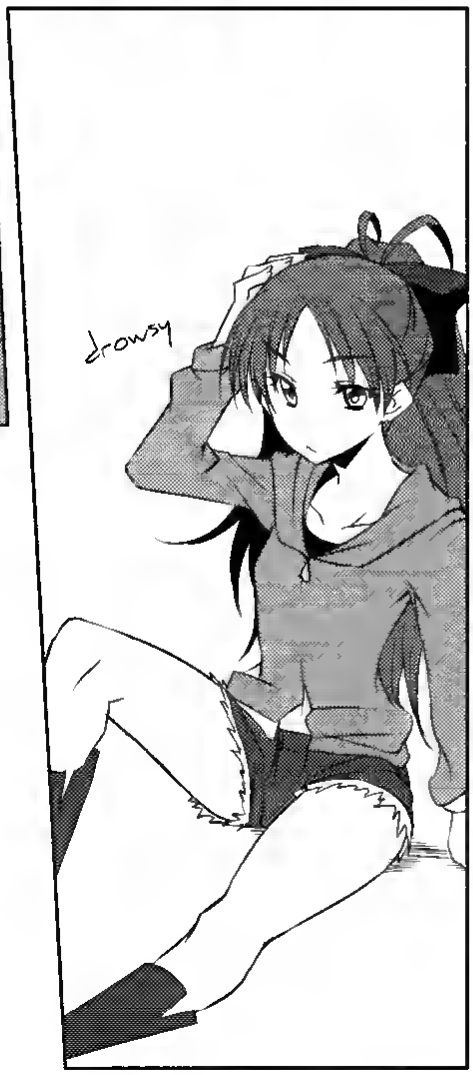
ふたりぼっち



There's nothing here



drowsy

SILENCE
...
Where
...
am
I...?

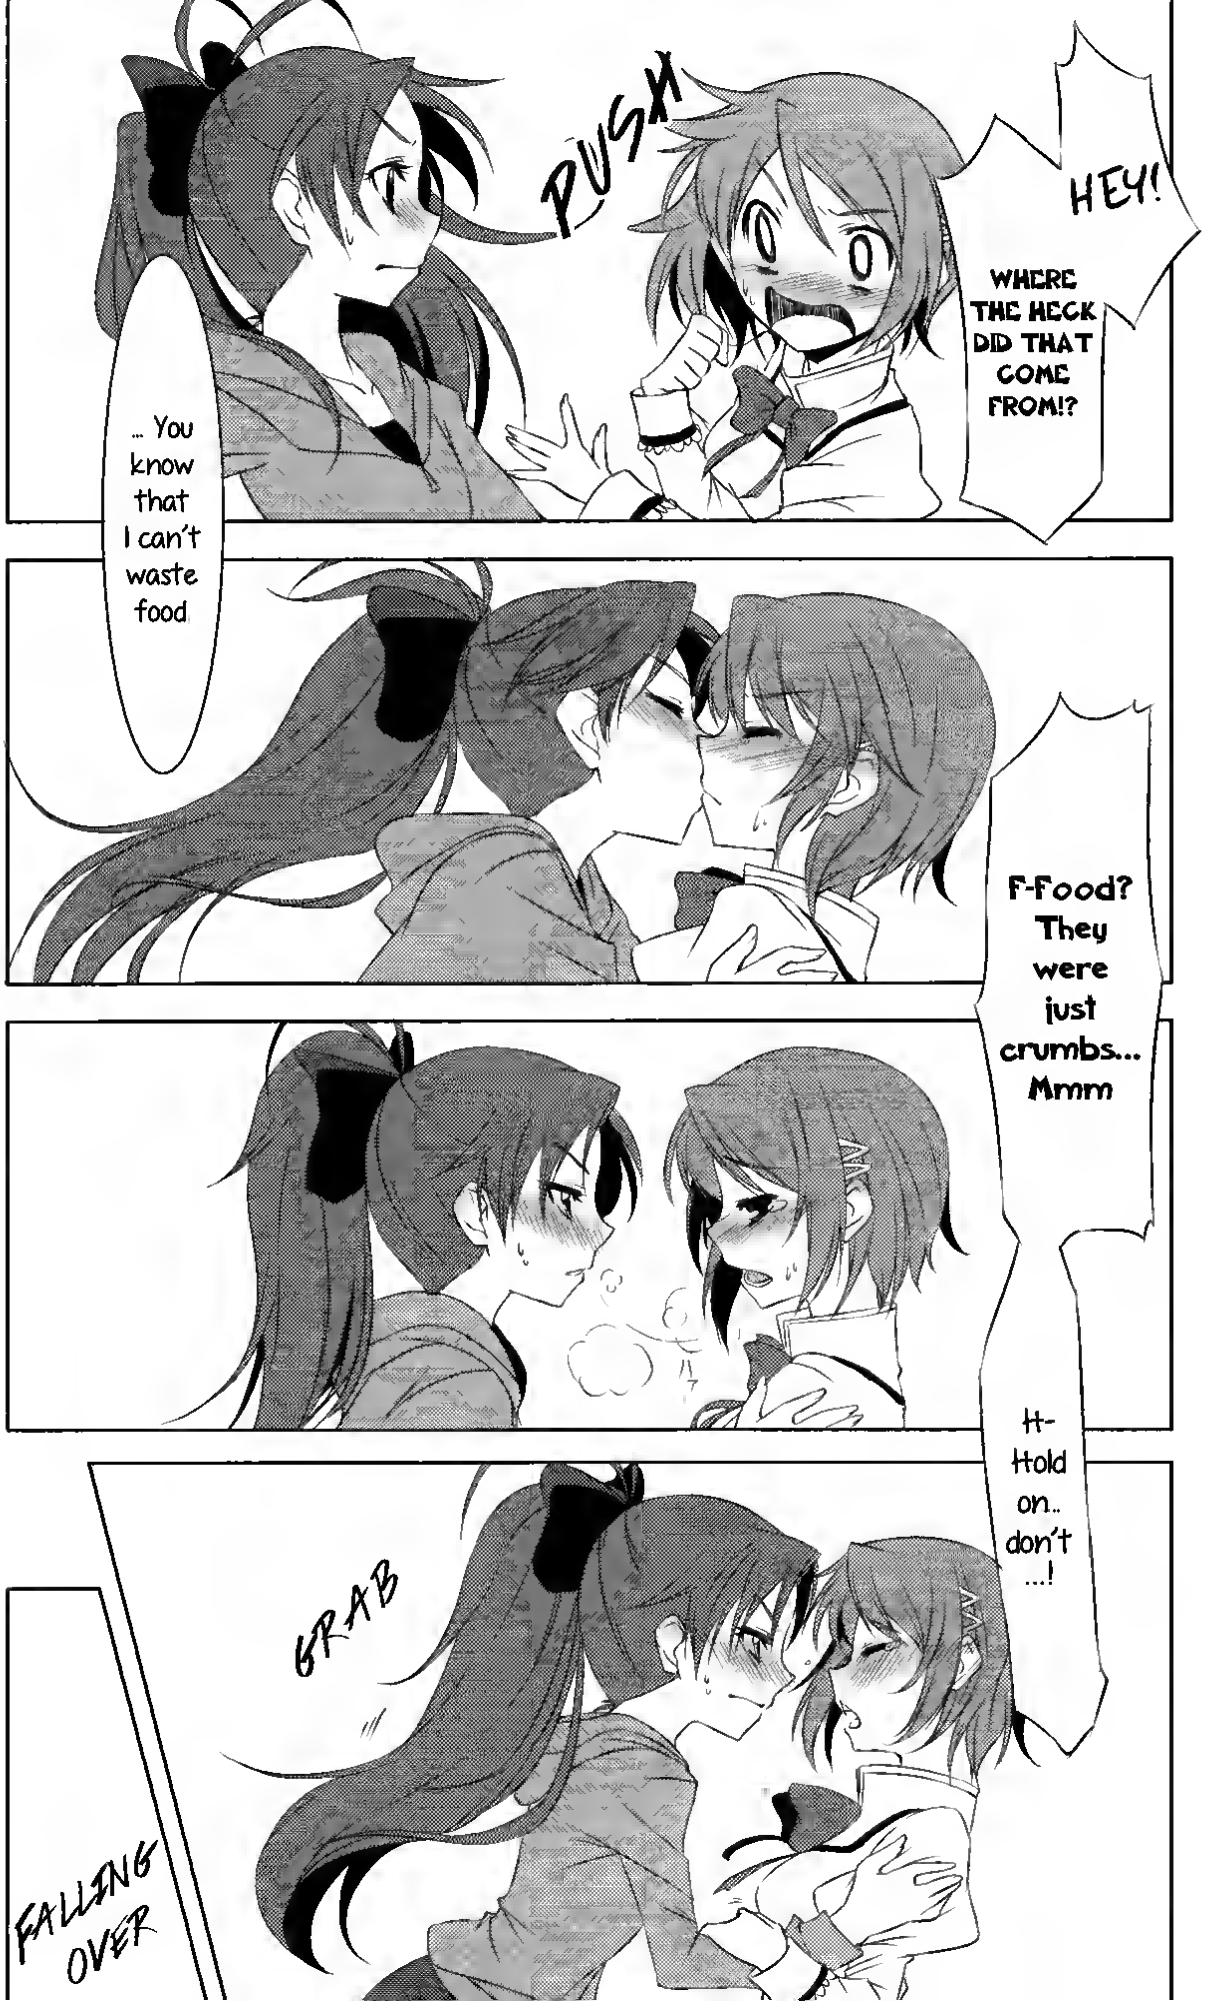
...I know I was hunting demons.
Mami and Homura aren't around.
And my clothes are back to normal...
RUSTLE
SQUEEZE
ASS
Ah, right...
I must be dead
GYAAAHHH!

Ouch...
What the heck is going on?
JUMP
That's my line, you fool!
Eh? Kyouko!?!?
You're heavy, could you please get off of me already?
That's uncalled for! I am not heavy!
.....
If you're here, that must mean I'm dreaming Or- Am I in heaven?
Eh?
Don't ask me..
TOUCH

PULL
OW OW OW OW OW!
What are you doing? Kyouko, YOU IDIOT!
Soft...
Well, I don't mind if this is a dream or whatever else.
Sayaka...
Want some?

Hey, Sayaka.
Hmm?
What did you get quiet for?
.....
...
SAYAKA!
GRAB
Th-The two of us.
Come on, what is it?
?
We're friends, right?

blank stare
twitch
touch
Jeez...
That's not something to say while you've got food on your cheek.

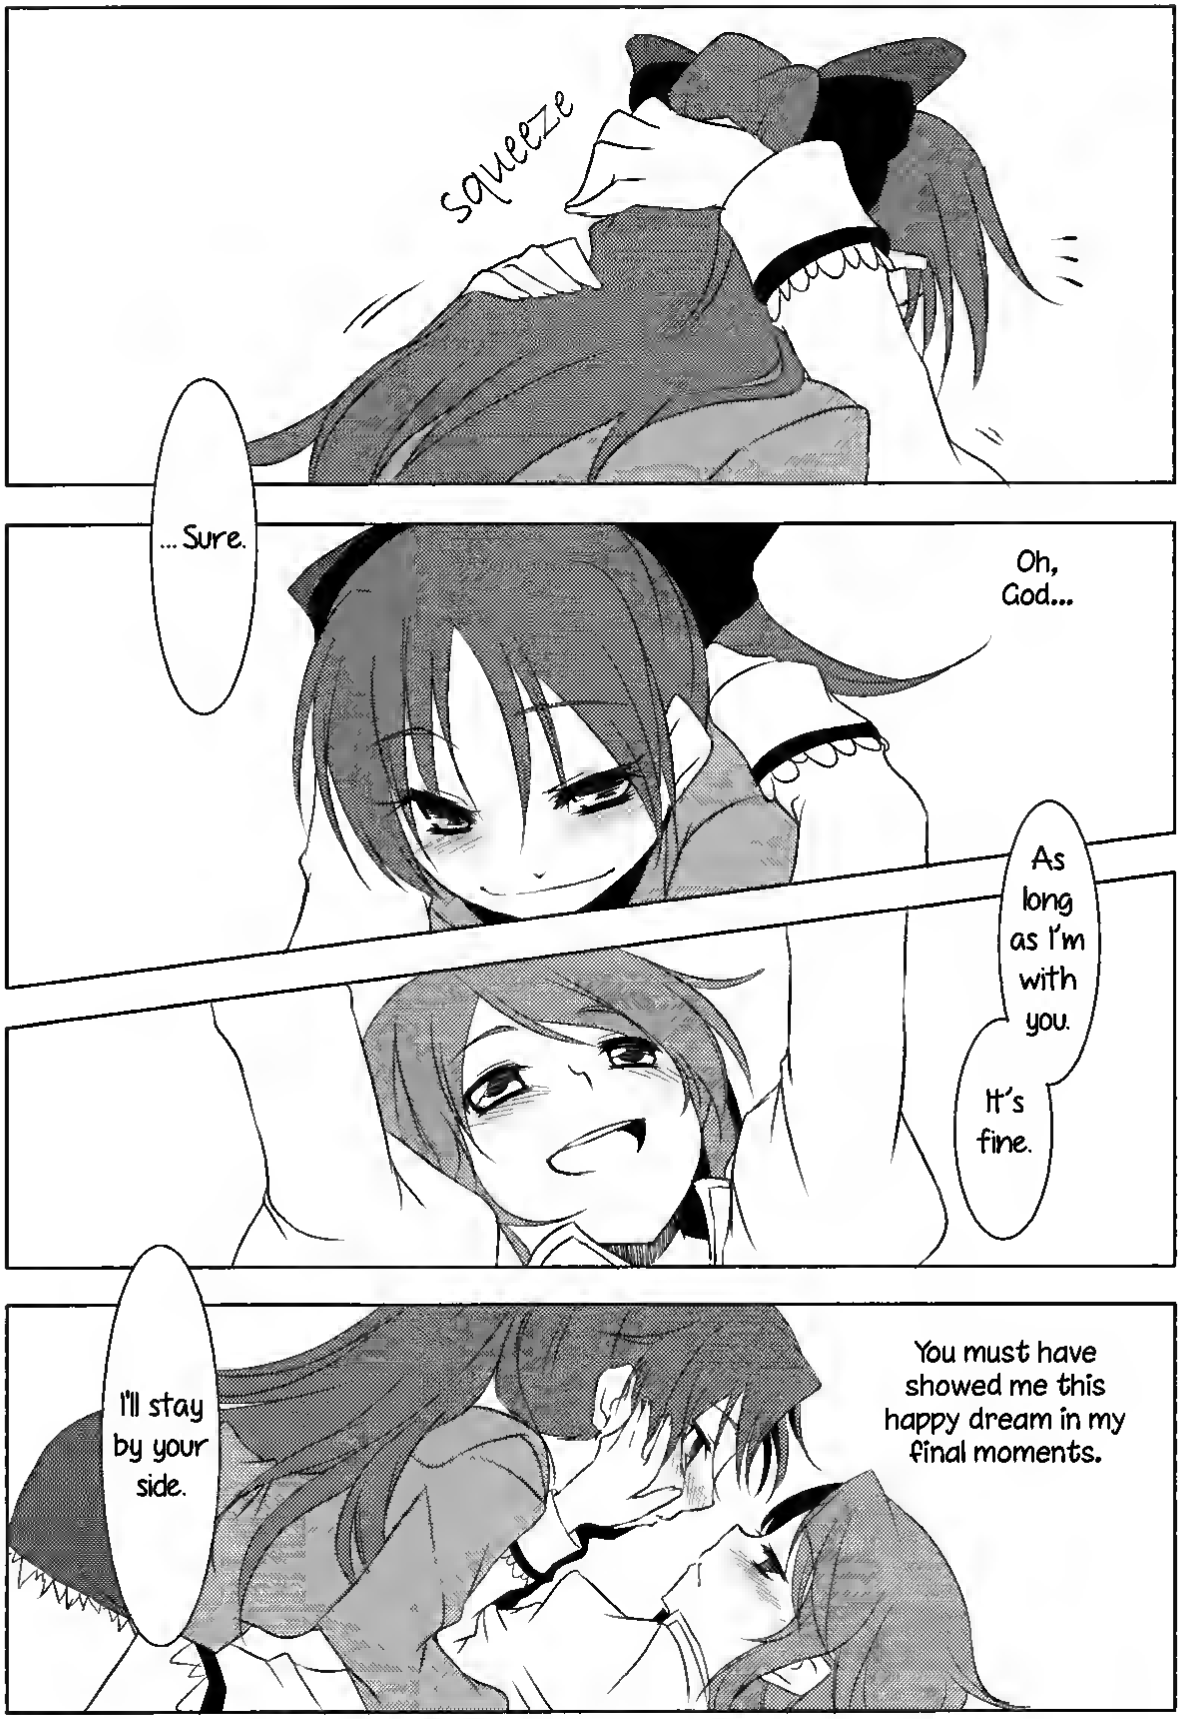


PUSH
HEY!
WHERE THE HECK DID THAT COME FROM!?
... You know that I can't waste food
F-Food? They were just crumbs... Mmm
H-Hold on.. don't ...!
GRAB
FALLING OVER

So we... we're not friends..?
.....
Nope.

I don't want to be... friends.

What about you, Sayaka ...?



squeeze
... Sure.
Oh, God...
As long as I'm with you.
It's fine.
I'll stay by your side.
You must have showed me this happy dream in my final moments.

It's lonely being by yourself.

If we're together, then we won't be.

Thank yo

#GiveMePassionateKyouSaya

Hello, Hirase Yuu here. For this book, I was unable
to control my urges and drew KyouSaya going at it.
I experienced a level of tension unlike anything I had before!
Having them kiss and go at it was difficult! (falls over dead)
Kyouko made a reference to it at the end, but I will leave
any ultimate conclusion to the story to your imagination.
Did the events take place in Kyouko's dream or
did they occur in Godoka's remade world?

Thank you for reading. I hope we can meet again some day!
